## 1 Day Facebook Workshop Live Demos & Interactive Session

This workshop is valuable for anyone who is thinking about starting their own business, any new business owners, or anyone who simply wants a helping hand when it comes to learning some tricks of the social media trade!

I will be covering live demos in as much detail as possible, and teaching you all you know about how to get the very best out of Facebook

This interactive workshop is limited to 20 people only, so there will be plenty of time for individual Q&A!

### You will leave this class knowing how to...

- ✓ Set up your Facebook business page, and why this is important.
- ✓ Decide what to post on your Facebook page
- ✓ Schedule posts
- ✓ Interact with potential clients, and gain reviews
- ✓ Promote your products or services on Facebook
- ✓ Use the new messenger service
- ✓ Target your competitors audience
- ✓ A live Q&A is part of this seminar.

And Much More....
